

HUMAN BEING

Am G
You made up scientific order of the world
Am/F G
you thought you found the answer of living
Am G Am
You made up theory of evolution but before you died
G
you declared and said:
Am/F F7 G
'What o fool I was I played with death'
F G
The whole your theory didn't help you
Am Bb C
when you met death from eye to eye
Dm Am F
O human being you can't explain anymore
Am G Am (Am/F, G)
when you stand in frond of your God

Am G
You taught others your own opinion of creation
Am/F G
you got appreciation of people
Am
You thought you're irreplaceable
G Am
to the world but it had no value anymore
G
one day they'll sing this to you in choir

Dm G
God only asks: 'Do you believe in Me?
Am
Did you take my Son into your heart?'
Dm G Am
God only asks: 'Are all your sins forgiven?
F G
Is your name in the book of life?'
