

# YOU HAD LEFT

C C/H Am Am/G

Early in the morning, I heard that someone left

F F7 Am G

door was shut very quietly

C C/H Am Am/G

I ran to the door, but there was no one anymore

F G Am G

only paper whose writing I knew

F G Am

words 'I can't live anymore'

Am C

You had left away, far away

Dm G G/E F/Am, G, Am

you just left us here, crying after you

F G Am E

If I'd have known what you were thinking

F Em Dm C

so I would held your hand in still

F G Am E

we would have prayed God and ask Him to help

F G Am G

so we'd have found the way back to life

F Em F/Dm Em, Am

your young life, would have be saved

C C/H Am Am/G

Too long you just suffered, quietly in your heart

F F7 Am G

you wanted to tell no one of your pain

C C/H Am Am/G

All alone you fought, against this big bad world

F G Am G

you couldn't hide pain, behind smile anymore

F G Am

you left your shoes to the hall
